

PROFESSIONAL COACHING SKILLS TRAINING IN LONDON - OCT 2020

Are you looking to enter the profession as a certified coach? Or do you simply want to learn excellent coaching skills to a professional level which you can use in your current job or in your life outside work? If so, this training is designed for you!

The comprehensive 10-day programme, delivered in partnership by [Clear Coaching](#), [People Untapped](#), and [Aligned Action International](#), provides the approved coach-specific training hours required to apply for membership of the [International Coach Federation](#) (ICF), and for the ICF's ACC ([Associate Certified Coach](#)) credential. The training is divided into two intensive 5-day modules, with guided study, reflection and practice time in between. The classroom experience is lively and hands-on, with demonstrations and discussions of new material, and lots of coaching practice, observation & feedback. Mentoring and supervision support is provided between modules.
